

Gust Elementary is a neighborhood ECE to fifth-grade school in Southwest Denver, where you'll find a friendly, supportive and welcoming community that is committed to academic excellence and making learning fun!

At Gust, we host Highly Gifted and Talented (HGT) and Advanced Kindergarten programming, and have been rated GREEN on the School Performance Framework (SPF) eight years in a row, meeting district expectations for success!

We offer an array of opportunities to help students reach their highest potential. We also provide:

- Exceptional Transitional Native Language Instruction (TNLI) programming and English Language Acquisition support
- Engaging enrichment activities that support learning through experience
- Unique specials, including chess club and violin class
- Nurturing teachers and staff committed to supporting the whole child
- Before- and afterschool programming to support student enrichment

"It's a good community to be in – the teachers and students are kind, and you can learn a lot of new things!" – **Gust student**

"When students come here they know they will be supported by caring teachers and staff who know them personally." – **Gust teacher**

"The teachers at Gust are amazing. My son started in kindergarten speaking only Spanish and they took good care of him. With bilingual classes and incredible support from paraprofessionals, he now reads above his grade level, even without having the foundation of ECE!" – **Gust parent**
