

GUST ELEMENTARY

2/28/25

Good Afternoon, Gust Families,

The past two weeks have been an exciting whirlwind of educational adventures for our Gust Tigers, with students across multiple grade levels exploring beyond our classroom walls. Our first graders dove into interactive learning at the Children's Museum, while second graders had an unforgettable encounter with Rosy the Tarantula at the Butterfly Pavilion. Fourth-grade students enjoyed a cultural double-header, receiving a special visit from the Clyfford Still Museum and traveling back to the 1990s at the Colorado History Museum. Adding to the excitement, our aspiring actors took to the stage for Shakespeare auditions, marking the beginning of our next theatrical production.

Reminder, there is no ECE on Friday, March 7th. All other students will have school.

Check out our [Facebook](#) and [Instagram](#) pages to see all the fun activities happening at Gust.

Operations

We are reaching out to families with ECE-aged (Early Childhood Education) children to gather feedback regarding the potential addition of a Tuition-based (\$18 per day) ECE offering to the Discovery Link program at Gust, for the 2025-2026 school year.

If you have a child(ren) who will be 3 or 4 after October 1st 2025, and you are interested in after-school programming, we kindly ask that you complete the [linked survey](#).

As a reminder, after 7:45 all students must enter through the front doors on Yale to be checked in by our front office staff.

Family Breakfasts in the classroom are back in March. Here are the scheduled dates below. Check the schedule as a couple of dates have changed. Teachers have some great things planned. We look forward to seeing everyone at family breakfasts.

GUST ELEMENTARY

Grade-Level	Date	Time
ECE	3/21	7:30-8:00
Kinder	3/21	7:30-8:00 (Inson/Mancha)
